Detailed Logs

Select Multiple

TODAY, OCTOBER 26

08:15 AM

20 minutes

Completed

Deep focus session. Used the forest soundscape. Heart rate remained low throughout.

YESTERDAY, OCTOBER 25

07:45 AM

15 minutes

Completed

Bit distracted by outside construction noise but finished the set.

09:30 PM

10 minutes

Extra Credit

Quick wind-down before bed. Really helped with sleep quality.

TUESDAY, OCTOBER 24

08:00 AM

0 minutes

Missed

Woke up late for meeting. Will double up tomorrow.

Entry Detail

ID: #HAB-94021-MM

"Deep focus session. Used the forest soundscape. Heart rate remained low throughout. Felt particularly connected to my breath in the final 5 minutes."
